We also offer you our seasoned-professional Sales and Technical staff and strive to deliver the type of customer service that will exceed your expectations. We are looking forward to having the opportunity to serve your business needs.

Please take the time to review the New Customer Application. After you have reviewed the material, please follow the steps outlined below:

1) Complete the **New Customer Application** in full. The application may be faxed to us, however, it must be mailed before the process can be completed (original hand written signature is required on printed forms). Our fax number is (203)315-0352.

*** Completion of a New Customer Application does not automatically guarantee acceptance as a wholesale account. ***

We also ask that additional pieces of information be forwarded with your application. These items are outlined in sections 2 and 3 below.

Once finished, please return all hard copy materials to:

DYNAMIC™ Racing Transmissions, LLC
104-5 Enterprise Drive, Unit 1
North Branford, Connecticut 06471

- 2) We ask that all applicants be a legitimate automotive related business that parallels the Dynamic product selection. Please be sure that you intend to purchase items for the sole purpose of resale or customer vehicle installation. Include a copy of your **Business License** and **Tax ID Number** in your return package.
- 3) We request that you submit **photos** of your business including frontal and interior views. Digital photos may be substituted for hard copies and emailed to: DynamicRaceMail@aol.com.

Please be aware that we kindly ask all wholesale customers to purchase at least \$3,000 (USD) annually. Accounts that do not reach this goal are subject to pricing level review. However, if you are inquiring about specific items (one or two product lines) that may not meet this goal, please indicate this fact on your application. We want to work with you and will give your company every consideration.

Once your completed application and all associated documents have been received, they will be reviewed and you will be notified by our New Accounts Department of your future status with *Dynamic Racing Transmissions*.

We again thank you for your business inquiry and for considering *Dynamic Racing Transmissions* as your source for performance parts and accessories. We hope to hear from you soon!

Kind Regards, JR Miller - New Accounts Manager Ph. 203-315-0138
